## **Residential Vacation Youth Camp for Personality Development**

### **INTRODUCTION & AIMS**

Knowledge and technology are advancing at breakneck speed. Computer has entered the household. Amid these fast moving scenes, parents have little or no time left for their children. This has become more acute with the breaking of the joint family system and parents opting for nuclear families. Thus, children do not get enough guidance while growing. They do not get adequate opportunities to interact with their own age group, except perhaps the time they spend in schools with their classmates. This set the parents on search for institutes clubs/agencies, which would help their children in all round development. This gave birth to '**Kamyab**', a Residential youth camp, aims to provide a new spirit to your child's personality It is being successfully organized in the month of May every year in Sahakar Vidya Mandir since 2003.

Overwhelming response from the youths and the positive outcome have emboldened us to repeat its success story yet again by launching **Kamyab 2023 from 1<sup>st</sup> May to 17<sup>th</sup> May. The camp is planned for 500 youth including 400 boys and 100 girls in the age group of 6 to 18 yrs.** Many aspirants in the past, could not be accommodated in the camp due to limited seats. Respond early to ensure your ward's admission in this camp and experience the positive changes in his/her personality. On completion of the camp, you will get a clear idea about your ward, whether he/she wants to be a doctor, engineer, pilot, businessman or going to leap beyond it. You will also know his/her I. Q.
